Missed Exams Policy: If you miss an exam, and have a valid, documented reason for doing so (like an illness or sudden death in your family), then I will compute your final grade based on the remaining exams that you did take; that is, there will be no makeup exams.

Missed Homework Policy: If you miss getting to turn in a homework assignment, and have a valid reason for doing so, then you will be allowed to turn it in late.

Grades: You will have two “midterm” exams, and one final during the semester. The midterms will each count 20% of your grade, and the final will count 30% of your grade. Homework will make up the remaining 30% of the grade. Your final letter grade will be based on the standard scale 89.5 to 100 is an A, 79.5 to 89.5 is a B, 69.5 to 79.5 is a C, 59.5 to 69.5 is a D, and anything below 59.5 is an F.

Calculator Policy: You will not be allowed to use calculators during any of the exams.
